Please describe the circumstances of the incident, in as much detail as possible. When and where did the incident occur? Please tell us if there were any witnesses to the incident. Please be advised there is an excess applicable to this claim which may be payable in the event that your drone is repaired or replaced.

Please specify the most appropriate description of your loss - Impact with ground, Impact with property, Impact with tree, Impact with other flying device, Damage in transit, Drone lost in flight or Other.

Is there anything else you think we should be aware of at this stage?
